

**CONDITIONS - EXHIBIT B
FUCILLO DRC2015-00084**

Approved Development

1. This approval authorizes:
 - a. Conversion of 600 square-feet of existing permitted workshop space to a 600 square-foot guest house
 - b. Modification of the 50 foot maximum distance standard for a guesthouse to the primary residence pursuant to County Land Use Ordinance Section 22.30.410.

Conditions required to be completed at the time of application for construction permits

Site Development

2. **At the time of application for construction permits** plans submitted shall show all development consistent with the approved site plan, floor plan, and architectural elevations..
3. **At the time of application for construction permits**, the applicant shall provide details on any proposed exterior lighting, if applicable. The details shall include the height, location, and intensity of all exterior lighting. All lighting fixtures shall be shielded so that neither the lamp nor the related reflector interior surface is visible from adjacent properties. Light hoods shall be dark colored.

Fire Safety

4. **At the time of application for construction permits**, all plans submitted to the Department of Planning and Building shall meet the fire and life safety requirements of the California Fire Code. Requirements shall include, but not be limited to those outlined in the Fire Safety Plan, prepared by the Cal Fire/County Fire Department for this proposed project and dated February 16, 2016.

Services

5. **At the time of application for construction permits**, the applicant shall provide a letter from Squire Canyon CSD stating they are willing and able to service the project.
6. **At the time of application for construction permits**, the applicant shall submit evidence that a septic system adequate to serve the proposal is, or can be, installed on the site.

Storm Water Control Plan

7. **At the time of application for construction permits**, the applicant shall demonstrate whether the project is subject to the LUO Section for Storm Water Management. Applicable projects shall submit a Storm Water Control Plan (SWCP) prepared by an appropriately licensed professional to the County for review and approval. The SWCP shall incorporate appropriate BMP's, shall demonstrate compliance with Storm Water Quality Standards and shall include a preliminary drainage plan, a preliminary erosion and sedimentation plan. The applicant shall submit complete drainage calculations for review and approval.

8. **At the time of application for construction permits**, if necessary, the applicant shall submit a draft "Private Storm Water Conveyance Management and Maintenance System" exhibit for review and approval by the County.

Conditions to be completed prior to issuance of a construction permit

Fees

9. **Prior to issuance of a construction permit**, the applicant shall pay all applicable school fees.

Storm Water Control Plan

10. **Prior to issuance of construction permits**, if necessary, the applicant shall record with the County Clerk the "Private Storm Water Conveyance Management and Maintenance System" to document on-going and permanent storm drainage control, management, treatment, disposal and reporting.

Conditions to be completed prior to occupancy or final building inspection /establishment of the use

Fire Safety

11. **Prior to occupancy or final inspection**, whichever occurs first, the applicant shall obtain final inspection and approval from Cal Fire of all required fire/life safety measures.
12. **Prior to occupancy of any structure associated with this approval**, the applicant shall contact the Department of Planning and Building to have the site inspected for compliance with the conditions of this approval.

Limitation on Use

13. **Prior to final building inspection**, the applicant shall execute a covenant and agreement with the County in a form acceptable to the County Counsel, whereby the applicant agrees, on behalf of himself and his successors in interest to restrict the use of the guesthouse such that the guesthouse will not be used for any other purpose not specifically authorized by this approval. Specifically, the guesthouse shall not contain or accommodate cooking or laundry facilities, and shall not be used for residential occupancy independent from the principal residence or a dwelling unit for rental.

On-going conditions of approval (valid for the life of the project)

14. This land use permit is valid for a period of 24 months from its effective date unless time extensions are granted pursuant to Land Use Ordinance Section 22.64.070 or the land use permit is considered vested. This land use permit is considered to be vested once a construction permit has been issued and substantial site work has been completed. Substantial site work is defined by Land Use Ordinance Section 22.64.080 as site work progressed beyond grading and completion of structural foundations; and construction is occurring above grade.
15. All conditions of this approval run with the land and shall be strictly adhered to, within the time frames specified, and in an on-going manner for the life of the project. Failure to

comply with these conditions of approval may result in an immediate enforcement action by the Department of Planning and Building. If it is determined that violation(s) of these conditions of approval have occurred, or are occurring, this approval may be revoked pursuant to Section 22.74.160 of the Land Use Ordinance.
